

# AREA RENTALS

We receive several phone calls each day from individuals who ask us to give them rental information over the telephone. This is in addition to other phone calls and people we are assisting who have walked into our office. **WE CANNOT GIVE YOU RENTAL INFORMATION OVER THE TELEPHONE!!!!** If you cannot come in to view our bulletin board or pick up a rental listing, please ask us to MAIL you a copy. We are here to assist you BUT we need your assistance as well. EVERYONE'S COOPERATION ON THIS WOULD BE GREATLY APPRECIATED!!!!

WEBSITE: [www.pickawaymha.org](http://www.pickawaymha.org)

We make every attempt to keep our rental listings current; however, the landlords who advertise with our agency do not always contact us once a unit has been rented, and we cannot take an advertisement off our listing unless we have been advised directly by the landlord to do so.
